What I do

I am currently learning front end and back end development

CONTACT ME

My Background

IMAGE

I am passionate about innovation and driven by impact

I am Tshifhiwa Makherana , I really enjoy working on cutting-edge projects and developing enabling new technologies in the hope that these will one day translate back to the real world and have a direct impact on our lives.

I also enjoy being surrounded by brilliant people that share the vision of technology for good, and I'm truly humbled by their support. Meanwhile, I'm excited by the ever-growing challenges I'm faced with as my career unfolds and keen to take them on.
